OUR MISSION

To assist families in accessing quality childcare, build the capacity of childcare professionals with comprehensive coaching and professional development opportunities, and provide support to businesses as they manage the challenges of employee childcare needs and productivity.

OUR VISION

To ensure quality learning experiences for every child in our community.

OUR VALUES

Educating the community about quality child care.

Advocating for a comprehensive, high-quality early childhood delivery system.

Empowering families to make informed decisions about quality child and family care.

Partnering with early care and education professionals to offer quality child care.

Respecting the personal dignity and worth of all individuals with whom we interact.

WHO WE ARE

We support parents in need of child care

We provide professional development coaching and technical assistance to child care providers

We advocate for early education

We partner with businesses to assist their employees in acquiring quality, safe and affordable child care

We help us support family, friends and neighbor care providers and the families they support
